Operating Engineers Local #150 Apprenticeship Fund will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40-years old or older.

Operating Engineers Local #150 Apprenticeship Fund will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

ASIP seeks to foster workplace environments where all journey workers and apprentices feel safe, welcomed, and treated fairly. In an effort to meet the requirements, set forth by the DOL, we are providing a link to online anti-harassment training to all individuals connected with the administration or operation of the apprenticeship program, including all apprentices and journey workers who regularly work with apprentices.
