Service Integration Success Story: October 2023

Service Integration Success Story October 2023:

In September 2023 Ryan Hughes was being interviewed by Jennifer Weggmann, Career Counselor, workNet DuPage and Susi Pihera, workNet DuPage.

Ryan has a disability; deafness. He is seeking employment in a production/warehouse environment. In the past he has worked in manufacturing and shipping.

Jennifer referred Ryan to Matt, our IDES (Illinois Department of Economic Security) Partner. Matt interviewed Ryan and collaborated with Craig Wallerstein, DRS (Department of Rehabilitation Services) Partner to offer services.

Additionally, Matt reached out to Adela Meitz, COD (College of DuPage) Partner for possible training to enhance employability including training for becoming a CDL Driver.

In addition, Matt has reached out to a potential employer; Chicago Switchboard Apparatus in Franklin Park for a possible position as an Assembler.

To date multiple Partners have collaborated in assisting Mr. Hughes find employment.

This is an excellent example of collaboration and partnership between Partners to ensure a customer finds employment where he can utilize his skills and talents.
