Service Integration Success Story

Tracy is a Veteran who sought services from Illinois Department of Employment Security when she became unemployed. Tracy worked with Employment Services Counselor Cruz, who worked with Tracy on her resume to incorporate key words and utilizing a more effective format. Cruz also informed Tracy of the services available at workNet DuPage Career Center, including various workshops tailored around conducting an effective job search.

Tracy took advantage of several of the workshop offerings at workNet which further enhanced her job search skills. Tracy interviewed and was offered a position in the accounting department at the Joint Commission in Oakbrook.

Tracy is back to work and thankful for the assistance she received from the partners at workNet DuPage. Tracy commented: "I cannot thank you enough for the direction and help you provided through all of this, especially all the follow-ups. I used the resume and cover letter that we created as well as all the information that I received through you and workNet and I'm sure that's the reason I am back to work."
