<b>Program (s)</b>	<b>Program ID</b>	<b>Program Cost</b>	<b>Review Date</b>
Azure Data Fundamentals-Microsoft DP-900	1013322	\$839	12/02/2025
<p>This is a new program seeking initial WIOA certification. This course covers the difference between relational and non-relational databases, explores Azure Synapse Analytics for end-to-end data solutions, with hands-on experience with tools like Power BI for reporting. This course prepares a student to take the Microsoft DP-900 - Azure Data Fundamentals national certification exam.</p> <p>Duration: up to 24 weeks, 30 total instructional hours</p>			
Azure Fundamentals-Microsoft AZ-900	1013323	\$704	12/02/2025
<p>This is a new program seeking initial WIOA certification. The course elaborates on the core functionalities of Azure services. Students will Gain a comprehensive understanding of Infrastructure as a Service (IaaS), Platform as a Service (PaaS), and Software as a Service (SaaS) models. Explore the economic benefits, scalability, and security considerations of cloud Azure adoption. Prepares students for Microsoft Azure Fundamentals AZ-900 national certification exam</p> <p>Duration: up to 24 weeks, 30 total instructional hours</p>			
Legal Administrative Assistant Certificate	1013341	\$4,694	12/18/2025
<p>This program prepares students with the essentials skills to succeed in law firms, corporate legal departments, and governmental agencies. Upon completion students will be able to create, manage, and safeguard legal documents, support attorneys and clients, and master industry standard legal and office software. Students are eligible to sit for the Microsoft Office credentialing exam, though it is not included in the cost of the program.</p> <p>Duration: 32 weeks (2 semesters), 24 credit hours</p>			
Patient Care Technician Certificate	1013332	\$3,799	12/02/2025
<p>This is a new program seeking initial WIOA certification. The Patient Care Technician (PCT) provides hands-on assistance in serving the basic needs of patients in a hospital setting. The PCT will perform bathing, feeding, catheter care, safety checks, and ensure patient room cleanliness. The PCT will also obtain EKG readings, monitor vital signs, and provide phlebotomy procedures. Ethical decision-making will provide patient-centered care and compassionate support to families. Completion of the PCT program allows the student to sit for the National Commission for Certifying Agencies (NCCA) accredited National Health Career Association (NHA) Certified Patient Care Technician Exam (CPCT). **The cost and length of the certificate includes the CNA course which is not required for those with an active CNA license or CNA completion of NURSA 1105 within 3 years**</p> <p>Duration: 16 weeks (1 semester), 14 credit hours</p>

Program (s)	Program ID	Program Cost	Review Date
EC-Council Certified Ethical Hacker (CEH) Boot Camp	<i>TBD on entry</i>	\$3,199	12/02/2025

This is a new online, instructor-led program seeking initial WIOA certification. The provider is WIOA-approved in two other states. Ethical hacking requires you to think like an attacker while defending like a professional. This intensive 5-day program covers all 20 CEH modules, teaching the student reconnaissance, scanning, exploitation, and post-attack techniques. This accelerated module is virtual-live and prepares the student to pass the EC-Council's Certified Ethical Hacker (CEH-AI) v13 Exam, the cost of which is included, to obtain this industry-recognized credential. The program also includes CEH Review Guides, live exam review sessions and instructor support, practice questions that mirror the actual exam, and one free re-take if exam is not passed on first attempt

Duration: 1 week, 40 total instructional hours
