Notes:

ALU-Nokia: interesting fact, since 12/2016 676 workers have been identified eligible for TAA. Received new worker list for 16 workers to be laid off in July 2019.

Chartwells Food Service vendor for Wheaton School Dist #200: Waiting for company response regarding status of 2019/2020 school year contract. Per Chartwells 99% will be hired by new vendor

Comcast Network Operations: Still waiting for company response to start rapid response. DCEO has reached out to local HR contact, since no response from Atlanta HR contact.

DayOne PACT: Lost State contract to provide case management services for children with disabilities (specifically home based services). All but 4 employees have secured new employment.

Lenze America: Waiting for company official to respond to DCEO to start rapid response

Sears Oak Brook Store; re-opened in August 2018 after major re-model (WARN event in 2017). Closed 7 months later. WIOA material dropped off, no response from company officials

Superior Mobile Health Services; workers age range from 20s-80s. Pick up & deliver lab specimens to Northwest Med facilities. Lost contract.

U.S. Banks: DCEO has reached out to company officials for layoff details. No response

Watchlist:

Dressbarn has announced the closing of all U.S. stores, 650. No word when. I'm checking online regularly for media updates.

FTD Florist, Downers Grove file chapter 11 bankruptcy 6/4/2019. I'm checking online regularly for media updates.
