

RESEARCH

**LEARN EFFECTIVE RESEARCH PRACTICES
TO BOOST YOUR JOB SEARCH**

*with Steve Grosskopf
President of Gobie, Inc. (Career Services Firm)*

Research is a critical component of a successful job search. While interest has grown around why a job seeker should incorporate research into their job search efforts, little attention has been addressed on how to do it effectively. This workshop will review the best research practices to help you achieve your career goals.

FRIDAY

MARCH 27 | 830 AM
