2021 December "Get Started" Applicants
102 Responses

December 1, 2021, questions were reformatted to eliminate any confusion as to what the question was asking.

As part of the reformatting of the questionnaire services each of our Partners provide was spelled out succinctly so there is no room for interpretation.

You will note that we expanded information for COD which encompasses ESL, GED, Certificate and Training.

C.R.I.S. has been expanded to include Rent, LIHEAP, Senior, Emergency, Basic Needs, Healthcare. The Other category encompasses programs applicants may be interested in that we have not specifically noted.

The WIOA application is now on the website so that applicants are able to apply online directly. We will continue to report the total number of WIOA applications received.
