Service Integration Success Story: August 2023

Service Integration Success Story August 2023:

Mark A. participated in the Reemployment Services and Eligibility Assessment (RESEA) program in May 2022. He interviewed with Matt, Illinois Department of Employment Security (IDES) and was focused on looking for a warehouse laborer position paying \$20.00/hour.

During his participation in the program, the topic of other career opportunities was discussed. Mark indicated interest in training to become a CDL Driver. He was referred to workNet DuPage and was assigned to counselor Mark Dennison for the CDL Training program. After receiving his CDL training, he was hired by Werner Trucking in Naperville, IL in December 2022 as a CDL driver at a salary of \$85,000.

Mark is making twice the amount that he asked for on his Individual Responsibility Plan (IRP).

In June 2023, he called Matt and notified him about going back to work. ***“I have been wanting to call you for a while to thank you. You directed me to this opportunity. Both you and Mark are great guys. If it wasn’t for you two, I would never of had this opportunity. At first, I was a little hesitant to drive a large semi, but it was easier than I had thought. Driving a semi is like driving a Cadillac. I love my new job.”***
