

# THRESHOLDS

# VIRTUAL JOB FAIR

COMMUNITY SUPPORT SPECIALISTS

FEBRUARY 6, 2025 | 12 - 1 PM CST

---

## Are you passionate about making a difference in your community?

Be a part of positive change in Chicagoland and beyond. Join [Thresholds](#), one of the largest providers of community-based services to individuals living with severe mental illness and co-occurring substance use disorders in Illinois, as a Community Support Specialist.

## What is a Community Support Specialist?

At Thresholds, we believe in meeting people where they're at – in their environment and on their journey to recovery. **Community Support Specialists (CSS) provide mental health and substance use treatment support where it makes the most impact – in their community.**

### Position Details:

- **Role:** Community Support Specialist
- **Responsibilities:** Case management, counseling, job support, and crisis de-escalation in the community
- **Locations:** Cook, Lake, McHenry, Kankakee, and DuPage counties
- **Special Programs:** Dedicated services for the Deaf Community, Youth and Young Adults, Substance Use Treatment, Homeless Outreach, and more!

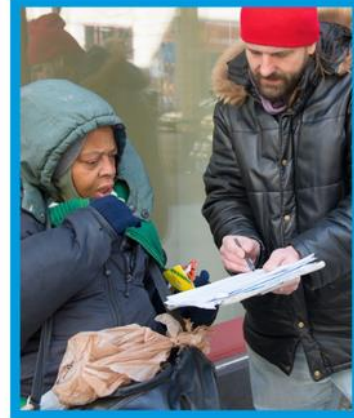

We also offer a top tier benefits package, with competitive pay, health, dental and vision insurance, continued learning tools, job- related reimbursements and much more!

Sign up for our virtual job fair on **Thursday, February 6, from 12-1pm CST** to learn more the role, our team, and the opportunities that come with a purpose-driven career.

Use the link below to sign up. For questions, contact Catlyne Lasser at [catlyne.lasser@thresholds.org](mailto:catlyne.lasser@thresholds.org).

*See you there!*
