LWIA OSO Report: June 24, 2026

Service integration and general activities at workNet DuPage followed past trends with higher service requests for SNAP, Medicaid and TANF. The charts below reflect these trends and outcomes. During May additional focus was on completing the MOU for all partners and beginning the required self-assessment due at the end of July.

LWIB manager Stutz worked with OSO to create a strategy and timeline for completion of the Self-Assessment. A survey was sent to partners, and most have been complete. OSO is nearing completion for tasks assigned and manager Stutz has provided a summary report for OSO to review based on survey responses. The preliminary draft report to be completed on Friday June 26th.
