

DRIVER

Drive with purpose and help build stronger communities!

Habitat for Humanity is looking for a dependable and customer-focused Donation Driver to join our ReStore team. As a Donation Driver, you'll be responsible for safely picking up donated furniture, appliances, building materials, and other household items from homes, businesses, and community partners and delivering them to the ReStore.

You'll be one of the first faces our donors meet, making your role an important part of creating a positive donation experience while helping generate revenue that supports Habitat for Humanity's affordable housing mission.

This is an active, hands-on position that is ideal for someone who enjoys driving, working with people, and being part of a team.

What You'll Do

Donation Pickups & Driving

- Safely operate Habitat ReStore vehicles to complete scheduled donation pickups and deliveries.
- Drive local routes efficiently while following all traffic laws and company safety procedures.
- Complete daily vehicle inspections and report maintenance or safety concerns.
- Safely load and secure donated items for transportation.
- Navigate routes using GPS and other routing tools.
- Maintain accurate pickup and delivery records.
- Ensure donations arrive safely and are delivered to the appropriate location.

Donor & Customer Service

- Provide friendly, professional service to donors during pickups.
- Represent Habitat for Humanity positively in the community.
- Communicate with donors regarding pickup schedules, locations, and donation requirements.
- Carefully handle donated items and protect the donor's property during pickups.
- Thank donors for supporting Habitat for Humanity.
- Assist customers and donors at the ReStore when needed.

Material Handling & ReStore Support

- Safely lift, carry, load, and unload furniture, appliances, building materials, and other donated items.
- Work with ReStore team members to unload and organize incoming donations.
- Assist with moving merchandise throughout the store, warehouse, and donation areas.
- Help maintain a clean, organized, and safe vehicle, warehouse, and donation area.
- Assist with general ReStore operations when not completing pickups.
- Follow all safety procedures and proper lifting techniques.
- Perform other duties as assigned.

What We're Looking For

- Valid driver's license and a safe driving record.
- Previous delivery, driving, warehouse, moving, retail, or customer service experience preferred but not required.
- Ability to safely operate a company vehicle and navigate local routes.
- Strong customer service and communication skills.
- Dependable, punctual, and able to work independently.
- Comfortable working in a physically active environment.
- Ability to regularly lift and move heavy items, including furniture and appliances.

Ability to work effectively as part of a team.

Professional and positive attitude when interacting with donors, customers, and community members.

Willingness to follow safety procedures and receive training on vehicle and material-handling equipment.

Why Work With Habitat?

At Habitat for Humanity, your work has a purpose. Every donation picked up by our ReStore helps generate funding for Habitat's affordable housing programs.

As a Donation Driver, you directly connect our community's generosity with Habitat's mission to build homes, communities, and hope.

If you enjoy driving, working with people, and staying active—and want a job where your work makes a difference—we'd love to have you on our team.

Apply today by sending your resume to jobs@gohabitat.org and drive with purpose!
